

NOA Board Member

Ian Kilgour

Ian is the Director of Community Development & Growth for the City of North Bay. This position oversees Planning, Building, Arts, Culture, Recreation, Sports, Events and Arenas. He also holds the position of Executive Director of Invest North Bay Development Corporation, working closely with all economic development partners in North Bay and region. Prior to his employment with the City, Ian was in private practice assisting land owners with their development service's needs. Ian recently completed his role as a Northern Ontario Angel consultant for North Bay. In this role, he further developed North Bay's angel group which provided new investment for local entrepreneurs. Ian is active member in the community, and is currently a board member of Community Living North Bay. He was the recipient of a number of awards for his involvement in the establishment of One Kids Place-Children's Treatment Centre serving the districts of Nipissing, Parry Sound and Muskoka.
