807-467-8847

Ron Malashewski is the President of Cliff Lake Capital, and has provided Corporate Consulting Services to start-up, early stage and publicly traded companies across a broad range of sectors for many years. These services include Corporate Development, Business and Strategic Planning/Implementation, Investor and Government Relations and coaching entrepreneurs on preparing to meet with sources of investment capital.

Ron has worked with clients in a broad range of sectors including Natural Resources (Exploration, Mining and Minerals Processing), Multimedia and Entertainment, Transportation and Logistics, Industrial Technology, Internet Infrastructure and Security and Medical and Veterinary Diagnostic Technologies.

He is a Past-President of the Kenora and District Chamber of Commerce. He is also Manager of Investor Relations and the Community Liaison for Avalon Advanced Materials' Separation Rapids Lithium Project near Kenora.

Ron is a member of the Association of Professional Engineers, and Geo-Scientists of Alberta (Non-Practicing status), a Member of the Canadian Institute of Mining, Metallurgy, and Petroleum, and a Member of the Prospectors and Developers Association of Canada.

Prior to starting Cliff Lake Capital Ltd he was an Investment Advisor with Richardson Greenshields of Canada and BMO Nesbitt Burns in Calgary, Alberta. During his professional career, he has developed many industry contacts across Canada with various levels of investment decision-makers, including Portfolio Managers, Analysts, Financiers, and Technical and Scientific Experts. From 1980 until 1992, he held Senior Engineering positions with the City of Calgary Electric System (now Enmax Corporation), a major Canadian municipal electric utility, and was involved with Technical Design, Engineering Project Management, Operations, Strategic Planning, and Corporate Development.
